

Boarding Policy

- Canine**
1. Must have current immunizations against: **Rabies, Distemper, Parvovirus, Coronavirus, and Bordetella Bronchitis.**
 2. Must have had a **Fecal Examination** within the last twelve months.
 3. When boarding between March and October must have had a **Heartworm Test** within the last twelve months. We highly recommend heartworm preventative.
- Felines**
1. Must have current immunizations against: **Rabies, Feline Distemper, Rhinotracheitis, Calici Virus, and Feline Leukemia (or negative test within one year).**
 2. Must have had a **Fecal Examination** within the last twelve months.
- All Pets**
1. Must be **FREE** of external parasites (fleas & ticks) when admitted for boarding or they **MUST** be treated upon admission.
 2. Any pet that requires veterinary attention will receive it at our discretion and at the **OWNER'S EXPENSE.**
 3. Pets requiring significant medication will be charged appropriate fees. There is **NO** charge for administration of chewable medications provided your pet takes them readily.
 4. Be aware that your pet's diet may have varied while away from home. Your pet may have barked at other pets; or the temperature and humidity may have been slightly different from your home. This can create problems such as sore throats, tonsillitis, or diarrhea. We seek to prevent such problems, but you must understand that these problems do sometimes develop, even with the best of care. Owners will be charged appropriate fees for all treatment and medication needed for reasons that are not directly under our control.
- General**
1. Pets will be admitted and discharged during regular office hours. Special times can be set up in advance with the technician responsible for kennels on that day. An additional fee will be charged.
 2. Charges are based on half days. The cut-off time for determining the length of stay is 1:00 p.m.
 3. An emergency telephone number should be left with the clinic staff at the time of check-in.
 4. We prefer that you do not leave toys or bedding, however we understand that your pet may feel more "at home" with some of their belongings. We will not be responsible for any items left with your pet.
 5. We furnish all normal food and bedding. All we need is your pet! You are welcome to inspect the kennels at any time – we are proud of them.
 6. Please inform us if you are not happy with the way we care for your pet. Your satisfaction and your pet's well being are our primary concerns.
