VIRGINIA VETERINARY DISCLOSURE FORM (Please read carefully before signing)

Pocoshock Animal Hospital is a full service veterinary medical facility accredited by the American Animal Hospital Association. We have business and medical staffing hours as follows:

Monday - Friday 8:00 a.m. to 6:00 p.m.

We are closed Saturdays, Sundays and Holidays. Therefore, this is to inform you that we have no in-house, on-duty continuous medical staff care during the following times:

Weekdays: Overnight, from closing time at 6:00 p.m. to opening time at 8:00 a.m.,

Weekends: From closing on Friday at 6:00 p.m. to opening on Monday at 8:00 a.m.,

Holidays: From closing time before the holiday at 6:00 p.m. to opening time the day after the holiday at 8:00 a.m.; and

Monday Holidays: From closing time Friday at 6:00 p.m. to opening time on Tuesday at 8:00 a.m.

There is; however, someone who will be checking all hospitalized patients during the hours that the hospital is not fully staffed. That schedule is determined by the attending doctor and may vary with the needs of the individual patient. If you have questions concerning this policy, please do not hesitate to ask. Also, if you would like to have continuous overnight care of your pet, discuss those options with the doctor or technician.

I have read this form and I am aware of the above staffing hours.
